

Fundraising Events

The success of our fundraising efforts is all the more imperative as we embark on expanding our Summer Meals program. Your event sponsorship is a powerful differentiator, not only in building positive brand perception, but also in strengthening us and positioning us to better respond to the needs of South Jersey's children. Through our work, we aim to leave no stone unturned, no child unfed and no senior left questioning the source of her next meal. *To sponsor a fundraising event, call 856.662.4884 ext. 119.*
