

Hunger Relief Programs **T E C**

Partnering to Impact the Community

The Food Bank of South Jersey operates on one simple premise: food should not be wasted when hungry people are in our midst. We offer a range of programs that target the distinct needs of working-poor families, their children, and at-risk seniors.

Our programs need financial support. When you partner with the Food Bank, you're collaborating with a credible charity to address the most fundamental of human needs.
