

# VIRTUA FIGHTS HUNGER CAMPAIGN

MONDAY, AUG. 19 TO MONDAY, SEPT. 30

Did you know that more than 135,000 of our neighbors struggle with enough food to lead an active, healthy life? In an effort to give back to our community, Virtua Health is partnering with the Food Bank of South Jersey to sponsor the inaugural **Virtua Fights Hunger Campaign**.

**Our goal is to collect 13,000 pounds of food — that's one pound of food for every Virtua colleague.**

This is a wonderful opportunity for Virtua's 13,000 colleagues to join together as one — to make a significant impact in our community. Some of the items collected will also support the Virtua Food Pantry.

Collection sites will be located at **13 locations** across the system:

- » Virtua Marlton Hospital
- » Virtua Memorial Hospital
- » Virtua Our Lady of Lourdes Hospital
- » Virtua Voorhees Hospital
- » Virtua Willingboro Hospital
- » Virtua Health & Wellness Center - Berlin
- » Virtua Health & Wellness Center - Camden
- » Virtua Health & Wellness Center - Cherry Hill
- » Virtua Health & Wellness Center - Moorestown
- » Virtua Health & Wellness Center - New Hanover
- » Virtua Health & Wellness Center - Voorhees
- » Virtua Health & Wellness Center - Washington Township
- » Virtua Corporate Office Building - 301 and 303 Lippincott

Some of the items on our wish list include: Canned protein; Canned fruit; Olive oil and spices; Shelf stable/powdered milk; Oatmeal; Low sugar cereals; Brown rice/quinoa; Whole grain and healthy snack items such as crackers, granola bars, popcorn, and unsalted nuts; Low sodium canned soups; Canned or dried beans and legumes.

**On Saturday, Oct. 12 we will announce how many pounds of food was collected at the Fights Hunger 5k.**

**Visit [Virtua.org/FightsHunger5k](https://Virtua.org/FightsHunger5k) to register or to learn more.**
