ABOUT STUDENTS CHANGE HUNGER

Students Change Hunger is an opportunity for students across the state to rally together against food insecurity.

From September 12, 2025, through January 26, 2026, schools and youth organizations host food drives and fundraisers to help feed our New Jersey neighbors. Food and funds donated during this timeframe help to meet the need in our communities and fight against hunger statewide.

During the 2024-2025 SCH campaign, more than \$34,246 and 75,494 pounds of food benefitted our state's food banks.

In addition to raising food, funds, and awareness, this campaign also teaches students the power of advocacy and outreach. Students are the next generation of leaders, and when they come together to support their communities, great things are possible.

ABOUT THE FOOD BANK OF SOUTH JERSEY

The Food Bank of South Jersey offers an immediate solution to the urgent problem of hunger by providing food to needy people, teaching them to eat nutritiously, and helping them to find sustainable ways to improve their lives.

Right now, according to a nationwide Feeding America study, approximately 148,000 South Jerseyans face hunger. That is 1 in 9 individuals and 1 in 7 kids who may not know where their next meal will come from.

But FBSJ is here to change that.

In 2024, we distributed more than 23 million pounds of food - the equivalent of about 19.5 million meals - to children, families, seniors, and individuals throughout Burlington, Camden, Gloucester, and Salem counties.

HOW STUDENTS CAN MAKE A CHANGE

Students Change Hunger donates food and funds to support our neighbors here in South Jersey. Because of the Food Bank's purchasing power, we can turn every \$1 donated into two meals for our community. With your help, we can deliver MORE meals and MORE hope!
